

*Village of Lincolnshire*

# *Tree, Shrub & Plant Sale*

*The Village is offering this program  
to assist residents.*

*Tree planting will assist with  
proactively replacing trees that will  
be lost due to Emerald Ash Borer,  
Dutch Elm Disease, buckthorn  
removal, and other pest infestations.  
Tree prices include installation and a  
one year warranty.*

*The perennial plants offered through  
this program will provide assistance  
with ponding and drainage problems  
on properties with shade or sun.*

*Shrubs included in this packet will  
provide replacement screening for  
buckthorn removal as well as habitat  
for birds and other wildlife.*

The trees, shrubs and plants included in this packet are plants that are proven performers. The tree list is a diverse list of deciduous trees that grow well in our area. When selecting trees from this list be sure to consider "diversity". Review what trees you have on your property and select different species so that future infestations will not rob you of all of the trees on your property. The shrub list will provide understory plantings in your woodland. Residents are encouraged to remove buckthorn from their properties. Consider planting shrubs in your understory to provide visual interest, screening, and habitat for birds and wildlife. Perennial plant lists are provided for both sun and shade. Many of the species will help to absorb water after rain events and reduce ponding.

**Your plant order must be received by April 25, 2012.**

You may mail your order form or drop it off at the Village Hall at reception or in the drop box in front of the Village Hall.

Mail : One Olde Half Day Road, Lincolnshire, IL 60069

Perennial plants and shrubs will arrive around the first week of June.

Plants must be picked up on either of the following dates:

June 8<sup>th</sup> 7:00 am to 1:00 pm

June 9<sup>th</sup> 8:00 am - 11:00 am

If you have any questions please feel free to contact the Village at 847-883-8600.

# SUMMARY ORDER FORM

**Instructions:**

- 1. Be sure to put your name at the top of each page of each plant list.
- 2. Be sure to complete the separate waiver for tree purchase and planting.
- 3. Complete the order form below.
- 4. Be sure to provide your contact information.  
Occasionally plants, listed on the form, are not available. We will need to contact you regarding substitutions or refunds.
- 5. Attach the plant list(s), and waiver form if ordering trees, to this form.  
(Don't forget to put your name at the top of each plant list page.)
- 6. Note on your calendar the pick up dates for your plant order:

Friday, June 8<sup>th</sup>, 7:00 am – 1:00 pm  
Saturday, June 9<sup>th</sup>, 8:00 am to 11:00 am

- 7. Plants may be picked up on the west side of the Village Hall (west of the pond),  
One Olde Half Day Road – June 10<sup>th</sup> or 11<sup>th</sup> (see times above).
- 8. Please note that the Village will not be responsible for plants left at the Village Hall after June 11<sup>th</sup>.
- 9. Be sure to complete the Tree Waiver Form if you are planting trees.
- 10. By completing and submitting this order form, the purchaser understands that the Village is not responsible for the viability or survival of any plant material after the purchaser receives it. (See tree waiver.)

# TREES

Page 1 of 3

Price Includes Installation. Prices quoted may be lower depending upon nursery used.  
 One of the Village Arborists will conduct a site inspection to verify species and location viability.  
 If you wish to discuss species, in advance of selection, please contact the Village for an appointment.

847-883-8600

**Be sure to complete the planting waiver form!**

**Please note – trees will be delivered and installed at your home.**

**You do NOT need to pick them up!**

(NOTE: Mature sizes of trees are approximate.)

## Tree Purchase and Tree Planting Waiver

Please read this form carefully and be aware that in signing this form you will be waiving and releasing all claims arising out of the purchase and installation of any trees related to this program. A waiver must be signed by all purchasers. You agree as follows:

I understand that trees purchased and planted through this program, on my property, are my responsibility. The Village assumes no responsibility for tree survival once the trees are planted. If the location(s) and tree(s) were approved by the Village Arborist (signature required on this waiver), the tree(s) will be guaranteed for one year from date of planting.

I understand that the contractor, providing and installing the tree(s) will contact JULIE for utility locations prior to planting. If a tree is to be located in area identified as containing a utility, the tree must be relocated. Damage to private amenities including, but not limited to, underground pet fences, irrigation systems, etc. are my responsibility. If any such amenities exist, I will identify, and mark, all such locations prior to the installation of any tree.

I understand that I must mulch the base of the tree annually with no more than 3 inches of mulch, being careful not to allow the mulch to touch the trunk of the tree, and to water the tree, a minimum of one inch per week, every week, for three years after planting.

I further agree to indemnify and hold harmless, and defend, the Village of Lincolnshire, and their officers, agents, servants and employees, from any and all claims of every kind, known and unknown, present and future, that may arise out of, connected with, or in anyway related to my participation in this tree planting program.

My signature indicates that I have read and understand the above Waiver and execute it of my own free will and without any reservation.

Date:\_\_\_\_\_

Name:\_\_\_\_\_ Signature:\_\_\_\_\_

(Print)

The Village Arborist has visited my property and agrees that the species type and location selected (listed below) are suitable for the survival of my tree(s) which enables me to receive a one year plant guarantee.
