Development Proposal at Southwest Corner of Route 22 & Milwaukee Avenue

At the May 12th Committee of the Whole Meeting, the Village Board received a presentation from Centrum Properties, regarding their proposal for a commercial development at the southwest corner of Route 22 and Milwaukee Avenue, in the Lincolnshire Corporate Center. Three plans were shown, that were reduced in density from the May, 2007 plan, in which a commercial development of approximately 300,000 square feet of building area was proposed on this 19-acre property. One proposal was favored by the developer, and there was a consensus of the Village Board to move forward with that proposal.

Due to changing market trends and concern from the developer regarding the previous plan's reliance on three large parking decks, the new proposal is for a building area of approximately 165,000 square feet, with one smaller parking deck at the rear of the property. The majority of parking in this plan is outside, and at ground-level. This revised plan also incorporates the previous theater and health club uses, as well as restaurants and other retail space, however, it is on a smaller scale. The theater proposal is for a unique upscale concept to the Chicagoland area. New to this proposal is a grocery store, which would tentatively be about twice the size of last year's proposed Wild Oats store in the Downtown Project Area. As many are aware, the Wild Oats proposal terminated when Whole Foods acquired Wild Oats and eliminated any smaller-scale stores, such as the proposed store in Lincolnshire. While no specific tenants are signed up for the development at this time, the developer has been in discussion with several interested parties. The developer was requested by the Village Board to continue refining their design plan, based upon comments at the May 12th meeting. The proposed financing for the project, which will include a proposal for public financing, will also be discussed in the coming months. As this proposal moves forward, the Village Board and Architectural Review Board will be reviewing all facets of the project, in public meetings and public hearings. Stay tuned to the agendas of these two Boards on the Village's website: www.village.lincolnshire.il.us.

Happy Father's
Day!!

Thanks for all
you do!

Columbaria

The Zoning Board held a Public Hearing to discuss the issue of the permissibility of Columbaria at religious facilities, as well as other assembly uses, at their May 13th meeting. After hearing from a number of residents regarding their position on permitting these memorial facilities, the Zoning Board requested that Village Staff redraft a proposed amendment to the Zoning Code to more narrowly define the locations and circumstances under which Columbaria would be permitted. While the Public Hearing portion of this request has been closed, the Zoning Board and Staff will continue to discuss this matter at their next meeting, which is scheduled for June 10th at 7:00 p.m.

Recent Village Board Action

At its Regular Village Board Meeting of April 28th, the Village Board of Trustees:

- Approved the lowest responsible bid from Heights Landscaping, Inc. of Mundelein, IL, in an amount not to exceed \$42,379, for landscape installation of the South Village Green Sidewalk Landscape Beds.
- Approved an amendment to Chapter 7-4-4A of Title 7 of the Village Code regarding Required Certificates and Other Documents.
- Approved the lowest responsible bid from Maneval Construction Company, Inc., Grayslake, IL, in an amount not to exceed \$49,801.61, for the Dukes Court Watermain.
- Approved the lowest responsible bid from Schroeder Asphalt Services, Inc., Huntley, IL, in an amount not to exceed \$95,938.55, for the Village Hall Parking Lot Resurfacing.
- Approved the lowest responsible bid from Benson Electric, Inc., Waukegan, IL, in an amount not to exceed \$33,800, for the Old Mill

Lift Station replacement generator.

- Approved the lowest responsible bid from Accurate Tank Technologies, Naperville, IL, in an amount not to exceed \$42,850.00, for the Underground Storage Tank Upgrade and Fuel Island Replacement.
- Approved an Illinois Transportation Enhancement Program Grant Application for Corridor Enhancements.
- Approved the lowest responsible bid from Alamp Concrete Contractors of Schaumburg, IL, in an amount not to exceed \$47,906.00, for the Spring Lake Basketball Court/Parking Lot Resurfacing.
- Approved the lowest responsible bid from Reinders, Inc., Franklin Park, IL, in an amount not to exceed \$17,689.22, for a 72" Riding Mower.
- Approved an updated Landscape Plan for the Village Green of Lincolnshire retail development presented by Mid-America Asset Management, Inc.

The Mayor and Board of Trustees: Back row - Trustee Gary Walrath, Trustee Harry Walder Jr., Trustee Dan Servi and Trustee David Saltiel, Front row - Trustee Tom McDonough, Mayor Brett Blomberg, and Trustee Elizabeth Brandt.

At its Regular Village Board Meeting of May 12th, the Village Board of Trustees:

- Approved the Village's insurance package for 2008-09.
- Approved the updating of the Village's Sign Code by Camiros, Ltd. in an amount not to exceed \$40,000.
- Approved the Fiscal Year 2008 Budget Amendment #1.
- Approved an Escrow Agreement for the Purpose of Compelling Compliance with Title 8-2-3 of the Village Code at 6 Westwood Lane.

Thanks!

On Sunday, April 27th, Cub Scout Troop 78 and their families took on the herculean task of picking up all of the trash and debris along Route 22. They worked from the Village Hall to the tollway!

During the winter months thoughtless people driving along Route 22 throw a lot of trash out of their car windows and litter the roadway. Route 22 is the main corridor for the Village and things were looking pretty bad in early spring.

The Village would like to extend a HUGE thank you to all of the Scouts of Troop 78 and their families!

Want to buy a Lincolnshire polo shirt?

Have you always wanted a Lincolnshire polo shirt? Now you can buy one! This is your opportunity to purchase official Village of Lincolnshire polo shirts.

The shirts are the Izod brand, 6.5 oz. his/hers classic silk-wash, 100% cotton pique polo with banded sleeves. The shirts are available in small through 3XL. Colors for the polo shirts are Black, White, Red, light Yellow, Green (moss), Royal Blue, Light Tan and Powder Blue. The Lincolnshire logo will be spelled out on the left chest area. The embroidery will be black thread on the light colored shirts and white thread on the dark colored shirts. The Village will accept orders at any time. However, our manufacturer will only ship orders at the end of May, July and November. Orders for delivery must be received by the 15th of each month.

To place an order simply fill out the attached form and send it with your check to: Village of Lincolnshire, One Olde Half Day Road, Lincolnshire, IL, 60069, Attention: Wendy. No returns will be accepted unless there is defective workmanship. There will be no additional color or size consideration outside of what is described above. The cost per shirt is \$26.00 which includes shipping.

Free Light Bulbs for Our Environmentally Conscious Residents!

The Village, as a member of the Metropolitan Mayor's Green Caucus, has been awarded 1,300 compact fluorescent, soft white, light bulbs. These light bulbs provide 60 watts of light for only 13 watts of electricity! They have a life span of approximately 10,000 hours, or nine years, which is about 10 times longer than a traditional light bulb.

These bulbs will be distributed to residents for their use. Three free bulbs will be awarded per household (as long as supplies last). Residents may redeem the attached coupon for three 60 watt compact fluorescent light bulbs. Coupons can be submitted to the Spring Lake Pavilion, 49 Oxford Drive, June 15th thru July 1st, 11:00 a.m. to 5:30 p.m. Remember, the supply is limited so come early!

***This Coupon may be Redeemed for
3 Free 60 Watt Compact
Fluorescent Light Bulbs
(While Supplies Last)***

***Bring this coupon to Spring Lake Pavilion
49 Oxford Drive, Lincolnshire
June 15 - July 1st
11:00 a.m.-5:30 p.m.
Only One Coupon Per Household***

Good Humor Truck & Safety

With the arrival of summer comes the Good Humor truck traveling through the Village. With this in mind, parents should discuss certain safety tips with their children:

1. Children should never go to the ice cream truck without their parents' knowledge.
2. Children should wait until the ice cream truck comes to their house and should not chase the truck to other streets.
3. Children should never step into the street. Wait up on the curb until the truck comes to a complete stop before approaching it.
4. Be extremely careful if it is necessary to cross the street to get to the truck. Look left, right and left again.
5. Never get inside the ice cream truck. The vendor can make the transaction from the truck window.
6. Parents should accompany their children whenever possible, but at a minimum, they should keep an eye on the children at all times.

The ice cream vendor is required to hold a license from the Village which will contain his name, company name and his photograph. If the vendor does not have a license, please notify the Police Department.

At this time "Good Humor" is the only ice cream company registered with the Village. Questions? Call Pattie Eidenschink at 847-913-2331.

Does Someone in Your Home Need Assistance?

Is there someone in your residence who may need special attention or assistance in the event of an emergency, a severe weather event or evacuation?

If there is someone in your residence who is immobile or confined to a bed or wheelchair, we want to know. Or if someone is oxygen dependent, on a portable dialysis machine, or has a physical or mental handicap which may prevent or limit them from assisting themselves, we want to know.

There have been flooding situations along the Des Plaines River where residents have been evacuated, and we would like to know who these folks are and where they live so we can get attention to them first. Also, in the event of a prolonged power outage, severe weather or such other calamity where residents may need our assistance, we want to prioritize our response and not overlook someone in need, who may not be able to get word to us.

If you have a need for our special attention, please contact Chief of Police Randy Melvin directly by sending an E-Mail, Fax, calling him, or writing him with your information. We will include it in our emergency response plans. Your information will be kept confidential and will be used only in emergency situations. Following are the various ways in which to contact him: E-Mail - rmelvin@village.lincolnshire.il.us; Mail - Chief of Police Randy Melvin, Lincolnshire Police Department, One Olde Half Day Road, Lincolnshire, IL 60069; - Phone: 847-913-2341; Fax:847-883-9909. Please feel free to contact Chief of Police Melvin with any questions you might have.

Heads Up - Fall Branch Collection is Coming!

As you are beginning your spring clean-up and throughout the summer, keep in mind the Village will be sponsoring a Fall Branch Collection again this year. The collection will begin the week of September 22nd. Only cut branches or trees smaller than six inches in diameter will be collected. More information will be provided in the Village NewsLetter in the coming months.

Movies by the Lake

Bring the family and a blanket for an evening under the stars at Spring Lake Park, and watch some great films. Showtime is 8:15 p.m. There is no fee. Just come and enjoy these fun events!

Friday, June 13th - *The Princess Bride*

Friday, July 11th - *The Lion King*

Friday, August 15th - *Ghostbusters*

If these movies are not available on the scheduled dates, the Village reserves the right to select an alternative PG-rated movie. No rain dates.

**Saturday, June 14th, is Flag Day.
Don't forget to fly your American Flag!**

Mosquito Abatement

The Mayor and Board of Trustees want every resident to be informed of the effort the Village is putting forth regarding the Mosquito Abatement Program and the West Nile Virus. The Village has teamed up with Clarke Environmental Mosquito Control to administer our integrated program.

West Nile Virus is a mosquito-borne disease. Symptoms of the disease initially are similar to the flu. The majority of individuals infected with the disease will never know it. The symptoms will be so mild they will go undetected. In severe cases, the disease may cause encephalitis, paralysis, coma or death. Individuals with compromised immune systems and senior citizens are at the greatest risk.

The Village of Lincolnshire has contracted with Clarke Environmental Mosquito Control for a sophisticated abatement program. This integrated approach includes mosquito traps for monitoring numbers of insects, prevention of larval mosquito development in stormwater catch basins, and insect-eating fish used in detention basins.

When the mosquito count elevates, the Village will provide adult mosquito control. This is the most effective method for controlling mosquitoes and the West Nile Virus once the insect matures. Even with this comprehensive program in place, the cooperation of each Lincolnshire resident is needed.

Protect yourself during daylight hours, especially at sunrise and just before and after sunset:

- Wear light colored, long-sleeved tops and long pants.
- Consider applying insect repellent that contains DEET with 14% to 25% Diethylmeta-toluamide to exposed skin (Off® or Cutter® are common brands).

Prevent mosquito breeding around your home:

- Dispose of all standing water in buckets, cans or any water-holding container outdoors.
- At least once a week empty water from bird baths and plant-pot drip trays.
- Keep roof gutters clean and free of debris.

Having an outdoor party?

- Use a fogger or spray insecticide on foliage near and around the party site just prior to the arrival of guests.
- Have insect repellent for guests in a prominent place.

If you have any questions about the Village of Lincolnshire's 2008 Mosquito Abatement Program at any time during the season, please contact the Clarke Mosquito Hotline at 800-942-2555.

West Nile Virus Hotline

The Lake County Health Department has reactivated its West Nile Virus Hotline. The WNV hotline, 847-377-8300, provides information about West Nile Virus and allows residents to report dead bird sightings (crows and blue jays), which can indicate the virus is in the region, as well as neglected pools and other conditions conducive to mosquito breeding.

The Clark Mosquito Hotline, 800-942-2555, has also been activated to allow residents to report standing water or to be placed on its night spraying Prior Notification list.

Please report dead bird sightings to the Lake County Health Department's WNV Hotline. This dead bird information is utilized by Clarke in coordination with the Lake County Health Department surveillance program.

Did you Meet the Challenge?

Last month, in the Village Newsletter, the Village invited residents to participate in “**Meet the Challenge for a Greener Lincolnshire**”. This **Challenge** encouraged families to select three areas where they could improve the environment throughout the summer. Areas of improvement can be small or big but should be things that members of your family can do over the summer months (and hopefully beyond) that will improve the environment. These **challenges** are to be listed on the **Challenge Contract** and submitted to the Village by July 4th. Those who “**Meet the Challenge**” will be eligible to select from a wide variety of beautifully printed reusable shopping bags - one for each member of the family who has met the **Challenge**.

If you need an additional copy of the brochure, please contact the Village at 847-883-8600 or complete and submit the **Challenge Contract** below:

CHALLENGE CONTRACT

Instructions:

- Make a copy of this form and post it in a location where your family can see it daily.
- Submit the original to the Village Hall, One Olde Half Day Road, Lincolnshire, IL 60069 or email to lscott@village.lincolnshire.il.us by July 4, 2008.

We the _____ family commit to implement the following three Challenges in our home. We understand that by accomplishing these Challenges we will help the environment and reduce our impact on the earth.

Challenge #1 _____

Challenge #2 _____

Challenge #3 _____

Signature of Family Members:

Phone Number: _____ Email Address: _____

Address: _____

You may list our family as “Meeting the Challenge” in the Village Newsletter. Yes _____ No _____

Questions:? Call Lydia Scott at 847-883-8600 or email to lscott@village.lincolnshire.il.us.

SWALCO Household Chemical Waste Locations

Residents have two ways to dispose of their household chemical waste at SWALCO's Household Chemical Waste Collections: SWALCO's Public Drop-off Events (by appointment only) at their Gurnee facility. Go to SWALCO's website: www.swalco.com to schedule your appointment, or go to a Mobile Event held at locations throughout Lake County as follows:

Village of Lake Zurich

Saturday, June 7, 2008

Lake Zurich Middle School (former North Campus)

66-100 Church Street

Village of Deerfield

Saturday, June 21, 2008

Deerfield High School

1959 N. Waukegan Road

See SWALCO's website if you are unsure about what they will take at their Household Chemical Waste (HCW) Collections.

National Pollution Discharge Elimination System (NPDES)

Because we all live in a watershed, we all impact water runoff from rain. We need to be aware that our impact can negatively affect the quality of our streams and rivers. The Village has enacted regulations prohibiting the introduction of pollutants or chemicals into the storm sewers as these pipes lead to open waterways. Residents can take steps to keep contaminated water on their property. This can be done by directing water runoff from our roofs, sump pumps and driveways into rain barrels, rain gardens, open vegetated swales or other features where that water can be used in a constructive way or absorbed by plants. Residents should consider planting plants on their property that are native to our area. These plants require less watering and absorb more water than many non-native plants.

Community Rating System

The Village of Lincolnshire has been a member of the National Flood Insurance Program's Community Rating System since 1992. The CRS program is a voluntary auditing program that is used to assure our residents that the Village meets or exceeds the requirements of the NFIP. The CRS measures the Village's activities relating to the floodplain and rewards communities which have strong floodplain ordinances and which take a proactive stance against flooding. The CRS assigns credits to a variety of activities taken to ensure appropriate floodplain management measures are implemented. Credits in the CRS program are totaled and put into classifications with "Class 10" being the lowest classification and "Class 1" being the highest and best. The Village first achieved a Class 9 rating upon initiation. Since 2005, the Village has been a Class 5 community, which places Lincolnshire among the top 43 communities nation-wide.

A main criterium of the CRS program is that the Village achieve a Building Code Effectiveness Grading Schedule rating of 5 or better (10 being the lowest, 1 being the best). This rating measures the Village's building codes, plan reviews, and inspections. Lincolnshire has maintained a high grade of 3 since 2001, placing the community among the best in the nation.

Residents who purchase flood insurance for structures located in the floodplain are currently eligible to receive a 25 percent discount on their flood insurance premiums under the Village's Class 5 rating. Structures located outside of the floodplain receive a 10 percent discount on premiums. Preferred Risk Policies do not receive discounts. As of October 2007, there were 117 NFIP policies in the Village with a total annual premium of \$91,740. In 2007, policy holders in Lincolnshire saved a total of \$23,973 in premium discounts by virtue of the community's rating.

For more information on the CRS program, visit <http://www.fema.gov/business/nfip/crs.shtm> , or contact Staff at your convenience.

Water Meter Reading

The Village of Lincolnshire's Water Department will be reading inside water meters for single family homes located north of Route 22 as well as properties located west of the Des Plaines River. Inspections will be performed from 8:00 a.m. to 2:30 p.m., Monday through Friday, beginning July 1st over a period of two months. Inside meter readings are taken every third year to verify that the inside meter matches the outside meter readings. To eliminate the need to enter each house quarterly, the outside meter is read to determine the owner's water usage. This program assures you the accuracy of the meter readings.

This program also includes a mandated inspection of your plumbing system and sump pumps. The average time required per property is about ten minutes.

Spring Lake Beach Opens

Spring Lake Beach will be open between June 2nd and August 19th.

Lifeguards are on duty daily from 10:00 a.m. to 7:00 p.m.

Swimming is allowed from sunrise to

sunset. However, when no lifeguards are on duty, and you want to swim, it will be at your own risk. When lifeguards are off duty, swimmers age 16 and under must be accompanied by an adult. When there is a rain event, it is recommended that you wait to swim in the lake for 24 to 48 hours because of the possibility of bacteria in the water. For more information and fees, call Stephanie Gould at 847-913-2363.

Environmental Tip

**Consider insulating your hot water heater and hot water pipes.
Heating water costs about 14% of your total utility bill.**

Spring Lake Beach Rules

If you plan to use Spring Lake Beach, you should make yourself aware of the beach's rules:

- All beach users are responsible to review beach rules as posted at the beach.
- If no lifeguard is on duty, swimmers swim at their own risk.
- If present, lifeguards are responsible for enforcing safety rules and responding to emergencies. Parents or guardians should supervise their children.
- Children ages 10 and under must be accompanied and supervised by an adult (18 or older).
- No one should swim alone.
- Entrance to the water shall only be from the beach.
- Patrons are encouraged to protect themselves from sun exposure.
- All children who are not toilet-trained shall wear tight fitting rubber or plastic pants.
- Children in flotation devices must be accompanied by an adult at all times.
- Persons under the age of 16 must be accompanied by a responsible person 16 years of age or older unless a lifeguard is present.
- All persons in the beach area, when a lifeguard is on duty, are required to pay a fee between the hours of 10:30 a.m. and 6:00 p.m.
- Appropriate beach attire is required at all times in the beach area.
- Swimmers of questionable skill are required to take and pass a swim test prior to being allowed on the water feature or in deep water.
- Season Tags or Daily Wristbands must be clearly visible to the lifeguard.
- The lake water is not suitable for drinking. Avoid swallowing lake water.
- Admission to the beach may be refused to all persons having any contagious disease, infectious conditions such as colds, fever, ringworm, foot infections, skin lesions, carbuncles, boils, diarrhea, vomiting, inflamed eyes, ear discharges, or any other condition which has the appearance of being infectious. Persons with excessive sunburn, abrasions, which have not healed, or bandages of any kind may also be refused admittance. A person under the influence of alcohol or exhibiting erratic behavior shall not be permitted in the beach area.
- Littering is prohibited. In addition, no alcohol, food, gum or tobacco is allowed on the beach or in the water.
- Glass containers are prohibited throughout the beach area.
- Personal conduct within the beach must be such that safety is not jeopardized.
- Diving is not permitted.
- Swimming is prohibited after sunset or before sunrise, or when lightning is present, including a 30 minute period after the last lightning is observed.
- No pets are permitted in the park or beach area.
- Feeding of wildlife or other actions that encourage their presence is prohibited and are subject to a fine under the Village Code.
- Groups of 15 to 30 persons must purchase a beach permit. Groups larger than 30 are prohibited.

Questions? Contact Stephanie Gould, Recreation Supervisor, at 847-913-2363.

Here are some water safety tips to help make your summer-time swim with your children a pleasant and safe one.

- Never leave your children alone or near the water, even for a moment.
- Do not let your child use air-filled "swimming aids" because they are not a substitute for approved life preservers and vests.
- It's a good idea to learn CPR if you plan on watching small children around water. Always stay within an arm's length reach of a child.
- Finally, teaching your child how to swim does not mean your child is safe in the water without you!

Safety Tips provided by American Academy of Pediatrics

Community Calendar

Lutheran Church of the Holy Spirit asks you to help prepare for summer safety by giving the gift of life. **LifeSource** reminds us that the need for blood remains constant all summer even though many are on vacation. You can make the difference of life and death. Donate on **Sunday, June 1st, between 8 a.m. and 1 p.m.** at Lutheran Church of the Holy Spirit, 30 Riverwoods Road, Lincolnshire (just 1 mile south of Half Day Road). If you want to reserve a time, call the church office at 847-945-1550 or stop by the church narthex and sign up. Appointments are not necessary, we promise you the whole experience will last less than an hour and you will have given someone a very special gift. College students home for the summer are welcome. If you are 16 or 17 years old, you will need a parent to sign a permission form.

Lutheran Church of the Holy Spirit will again be joining other Lutheran congregations in Lake County to provide the funds and volunteers to **build two houses this summer in Waukegan**. Donations to assist in the construction can be made through the church. Volunteers will begin working on **Saturday, June 21**. If you are interested in giving a day to help work at the construction site, please contact the church for dates, times and release forms. (Habitat requires all volunteers to be at least 16 years old).

Community Christian Church announces its **Vacation Bible School "Power Lab"**, **June 23rd to June 27th**, from **1:00 p.m. to 3:00 p.m.** daily. Power Lab is a Vacation Bible School experience for children 4 years old through entering 5th grade. Suggested donation is \$35.00 per child. Register at the church office or www.ccclincolnshire.org. For more informaton, contact Judy Mankus at 847-945-8824 or judymankus@comcast.net

Lutheran Church of the Holy Spirit announces that **registriation for Vacation Bible School** is now open for its summer program offered between **July 28th and August 1st**. Registration information and forms are available at the Holy Spirit website www.holyspirit-elca.org.

Lincolnshire Art Festival takes place on the **Village Green** on **Saturday July 12th** and **Sunday, July 13th** from 10:00 a.m. to 5:00 p.m.

The Greater Lincolnshire Chamber of Commerce announces the return of the annual **Taste of Lincolnshire**. Mark your calendars - **Friday, July 25th, 11:30 a.m. to 10:00 p.m.**; **Saturday, July 26th, 11:00 a.m. to 10:00 p.m.**; and **Sunday, July 27th, noon to 6:00 p.m.** on the **Village Green** (northeast corner of Milwaukee Avenue and Olde Half Day Road).

Spring Lake Sports League announces **Fall Soccer Registration** is now open. Families may register by mail or on its website (www/sls.net) through early July. **Lincolnshire Lightning Travel Soccer tryouts** for Fall-08/Spring-09 will be the **first week of June**. Please check its website for specific dates and times.

Important Information

- **Sprinkling Restrictions - Outside water usage will be restricted in the Village between May 15th and September 15th.** If your address ends in an even number (0, 2, 4, 6, 8), then you may use outside water on calendar days which are even. Similarly, if your address ends in an odd number (1, 3, 5, 7, 9), you may use outside water on calendar days which are odd.

- **Mosquito Information** - The Village will again be spraying for mosquitos this summer. If you prefer that Clarke Environmental Mosquito Management notify you several hours before spraying so you may close your windows, please call Clarke Notification Service at 800-942-2555.

- **Dumping in drainage ditches** and detention basins is prohibited by Village Code. A fine will be assessed to anyone in violation. Questions? Call Jennifer Hughes, Village Engineer, at 847-883-8600.

- **Waste Management is the single waste hauler for most residents in Lincolnshire.** If you have questions or problems, the waste hauler can be reached at 800-796-9696 or 630-724-8400. However, if you are a member of a Homeowners' Association, your home is not necessarily covered by Waste Management. Check with your Homeowners' Association for more information.

- **If you have any old major appliances you wish to discard, call Environmental Field Service at 800-480-4337.** This service will collect these appliances for a fee that is much lower than what Waste Management would charge.

- **Problems with Comcast Broadband Cable or Internet?** Call its Customer Service Department at 866-594-1234. **Comcast Telephone** - call 800-266-2278. **Unburied cable?** If you don't get satisfaction, contact Carol Marshall at the Village of Lincolnshire - 847-883-8600.

- **North Park Hot Line** - On days with questionable weather, call the North Park Hot Line for field conditions at 847-913-2375.

- **Drop Mail Box at the Village Hall** - If you need to mail something to the Village, it might be easier to drop it off at the Village Hall. There is a "Drop Box" in the circle at the front of the Village Hall, One Olde Half Day Road. Staff checks it daily.

- **New Benchmarks Available** - The Village of Lincolnshire has obtained elevation reference marks (benchmarks) for several locations throughout the Village. If you plan to have survey work done, or are interested in knowing the elevation of the marker closest to your property, please call the Public Works Department at 847-883-8600.

- **Flood Insurance Rate Maps** - The FEMA Flood Insurance Rate Maps are available at the Village Hall for public review. Call Village Engineer, Jennifer Hughes, for more information at 847-883-8600.

- **Flood Information Available** - Technical advice on how to protect your home from flooding is available at the Village Hall. Come in to view available resources, or call the Village Engineer, Jennifer Hughes, at 847-883-8600 for more information.

Do you have a question, suggestion, advice or comments about Lincolnshire?

Your elected officials welcome them! Please detach and return this form to Village Manager Bob Irvin, Village of Lincolnshire, One Olde Half Day Road, Lincolnshire, IL 60069 (or drop it in the collection box in the circle in front of the Village Hall). Please provide your name, address and telephone number if you require a response.
